Certificate in Palliative Support (Level 4) (Training Scheme)

A **21-week** programme which covers the end-of-life stage, palliative principles, pastoral care and how to manage expectations, loss and grief. Graduates will understand the role of self-advocacy and the decision-making process, gain skills in advocating for a terminally-ill patient, and learn how to provide care that facilitates an optimal quality of end-of-life and dignity for the patient.
